October 26, 2011

As a business member of the DeWitt Area, we are contacting you about the benefits of belonging to your **LOCAL** Chamber of Commerce.

Most people have some knowledge about the function of a Chamber of Commerce; however, what people may not know is the true mission of their local Chamber, **as each Chamber is unique** in both the services it offers and the businesses it represents.

The **DeWitt Area Chamber of Commerce** is an organization of caring businesses and Individuals who are committed to the betterment of the DeWitt community. The DeWitt Chamber is strictly a volunteer organization defined by two simple goals: support business growth and development **AND** enhance the quality of life for all residents within the community. The Chamber Members feel both are equally important as you cannot successfully have one without the other.

The Chamber is striving to meet the first goal of supporting business growth and development by bringing local businesses together for networking; collaborated training in areas pertinent to small businesses; joint advertising ventures; and discounted programs in the area of business services and insurance products.

The members of the Chamber have been working on the second goal, enhancing the quality of life for the residents of the community, through events like the **Mother's Day Floral** event in May; **Movies in the Park** held June through August; **Art in the Park** in July; the **Harvest Festival** in October and the **Holiday Lights Tour and Lighting Contest** in December.

We are not discouraging you from belonging to larger chambers; however, we are asking you to consider your local Chamber as well, as it is the local Chamber that is working toward the betterment of DeWitt.

I am enclosing a list of our current members along with a membership application for your review. The DeWitt Chamber is offering a 50% discount to any business that joins before December 31, 2011.

To be truly successful, the Chamber would like your input, your participation, and your support. Please visit our website at www.dewittareacc.org for information about our events or contact me at Spinrad@comcast.net to pass along any ideas or comments you may have.

Sincerely,

Loretta Spinrad
President
