Tradesman Scholarship Program

The DeWitt Area Chamber of Commerce acknowledges the need for professional contractors and skilled tradespeople, as their expertise is a very important and integral part of our community and the economy as a whole. Skilled tradespeople are the lifeline of so many industries; without skilled professionals we, as a society, would not be able to enjoy the luxuries of warm, dry homes; state of the art office buildings, roads and highways, running water, electric lights or well-tuned automobiles. Engineers and architects can design the very best project or have the greatest idea ever, however, it is the skilled tradespeople working along side the engineers and architects who turn the idea into reality.

Acknowledging the importance of this career path has motivated the DeWitt Area Chamber of Commerce to support the Trades Industry by offering a \$1,000 scholarship to a 2019 Clinton County graduating senior who will be entering an accredited trades program supporting such careers as, but not limited to: electrician, plumber, carpenter, mechanic, welder, heating and cooling.
